

Adults 50+ were left out of AI.

We built the company that brings them in.

Learn More Technologies delivers AI training, a public gallery, a free assistant, a podcast, and a speaker — funded by government and workforce contracts. The Pioneer Model: contracts prove it, the podcast tells it, the stage sells it.

BRIAN ON STAGE

Keynote converts to the next buy

The one sentence: Brian McKinney is the AgeTech speaker on 50+ AI — host of AGENTIC50, founder of the WIOA-eligible, MBE-certified program delivered at 9 in-person locations in central Texas. Government pays LMT to prove it. The podcast tells it. The stage sells it.
