

One curriculum. Three delivery modes (self-paced, community cohort, workforce cohort). Same six names on the website, slides, LMS, and sign-in sheet.

THE ONLY SIX WEEKS

#	TITLE	LEARNER JOB	THEY LEAVE ABLE TO...
0	Welcome (10–30 min)	This is for me	Sign in, set one goal, complete the pre-survey
1	Talk to AI	Get help without feeling stupid	Ask one real question in one AI tool
2	Don't get scammed	Stay safe in an AI world	Spot fakes; lock passwords and 2FA
3	Stay connected	Use tech for people	Make a video call; send an AI-drafted note
4	Health & independence	Run your life online	Open a portal or prepare 3 visit questions; verify AI
5	Money & work (fork)	Don't get left behind	Banking <i>or</i> job search <i>or</i> workplace tools
6	Your next chapter	Prove it	15-minute capstone + certificate

Week 1 is not “Smartphones & Tablets.” Device help is 10–15 minutes inside every session. Do not add a seventh module. Do not teach coding, LLM theory, or a second AI app in the same week.

WEEK 5 — PICK ONE LAB FOR THIS COHORT

ROOM	LAB
Library / retired	Bills and banking safety
WIOA / job seeker	Resume and interview practice
Employer	Their real tools (Outlook, Teams, Excel, CRM)
